

DTG P55 Bass Rendering

Last updated: 11-21-02

STATUS: IN-PROGRESS

Specs needed:

1. Establish actual length from datum to ferrule holes (may vary from existing, depending upon design).
2. Place frets (20) and position marker locations.
3. String ferrule size.
4. Specs for jack plug.
5. Precise pickup (and type of pickup(s)) location(s).
